Dear Anoop,

This is in appreciation to the response that you have shown to the Call of Duty during the crisis faced by us on 20th April 2021 when there had been Lockdown due to Covid Pandemic in Mohali, Punjab and most of the staff were unable to reach the office for their duties and your willingness made you come to work in office.

Your Hardwork, Commitment & Dedication were valuable during the Company's time of need.

Please keep up your selflessness & carry on the good deed.

With much Appreciation.

Sincerely yours,
